

Delaware Valley Association  
of Structural Engineers  Est. 1991

## **SPONSORSHIP OPPORTUNITIES**

Founded in 1991, the Delaware Valley Association of Structural Engineers (DVASE) is a non-profit membership organization, serving structural engineers in the tri-state area for 26 years. DVASE conducts technical and business seminars related to structural engineering, organizes volunteer programs, conducts design competitions in preparation for the national design competition, and gives structural engineers in the region an opportunity to meet other structural engineers.

DVASE is the local Structural Engineers Association (SEA) in the Philadelphia area, and is a member of the Structural Engineers Association of Pennsylvania (SEAoP). DVASE represents over 270 members from over 80 firms in the tri-state region. DVASE provides educational opportunities for its members on technical or business topics and hosts site visits. These meetings are included with membership, and most seminars offer valuable Professional Development Hours (PDH), which are awarded at the end of the meeting. DVASE also works with the National Council of Structural Engineers Association (NCSEA), American Institute of Steel Construction (AISC), and other Associations to host half and full day seminars in the Philadelphia area.

Many DVASE members are influential members of the building industry. We are proud of our expanding membership where we reach several hundred engineering professionals and firms. Our members look to us as a resource for improving their careers and shaping the practice of structural engineering.

DVASE sponsors have an opportunity to reach hundreds of men and women, with several levels and benefits of sponsorship available. All of our events offer a networking component and an opportunity to share business experiences. Events provide interesting keynote speakers and topical education sessions. Our average attendance at each breakfast seminar is 90 professional engineers from major firms and industries in the Delaware Valley.

For more information on DVASE and sponsorship opportunities, please visit our website at [www.DVASE.org](http://www.DVASE.org). For inquiries, please contact the DVASE Administrator Patty Barr Russo at [pattyrusso@barrhorstman.com](mailto:pattyrusso@barrhorstman.com).
